

**NEW Leadership New England 2018 Application**

Applications must be received in our office no later than March 12, 2018. You will be notified in April 2018. *Please note:* If you accept our invitation to participate in the program, you are required to reside on campus at Saint Anselm College for the entire program. We realize this may prevent some students from participating, but exceptions will not be made.

Please submit this completed application, along with your personal essay and 2 letters of recommendation to:

**Recommendation Form #1**

NEW Leadership New England™

Please attach your letter of recommendation on your own stationery or letterhead to this form and return it to the student in a sealed envelope for submission with their application packet. Completed applications are due March 12, 2018.

NEW (National Education for Women's) Leadership New England will host its first annual five-day residential program for undergraduate women in June 2018 at the New Hampshire Institute of Politics at Saint Anselm College. NEW Leadership New England is a leadership training program designed to educate and empower young women to give them the skills to be part of the next generation of women leaders. The program includes workshops for students to actively develop leadership skills such as public speaking and networking, as well as presentations from politically active women throughout New England. Participants will also benefit from the Faculty-in-Residence, a group of women public leaders who serve as mentors for students throughout their stay. We are looking for a diverse group of young women who are motivated to learn about women's participation in public life and develop their own leadership skills. Having already demonstrated leadership skills is not a necessary requirement for acceptance; those who show they have the potential for leadership are encouraged to apply, and students with a range of leadership experience will be accepted.

Please tell us why you believe the applicant is 1) qualified for the program, and 2) how you believe they could benefit from the program. If you have any questions please contact Dr. Elizabeth Ossoff at [ossoff@anselm.edu](mailto:ossoff@anselm.edu) or go to our webpage, <https://www.anselm.edu/beyond-classroom/new-leadership-new-england>. Thank you for taking the time to complete this application.
