THOMAS ARRUDA

Chemistry/Assistant Professor

Conferences Attended

231st meeting of the Electrochemical Society, New Orleans, May 2017.

Rhode Island Space Grant Consortium annual symposium, Rhode Island School of Design, Providence, R.I., April 7, 2018.

American Chemical Society Rhode Island section annual meeting, Providence College, April 19, 2018.

Scholarly Presentations

“Electrochemical and Spectroscopic Measurements of Diffusion of Vanadium Species in Ionomer Membranes,” Arruda, T.M.; Donnelly, D. J.; and Lawton, J. S. Symposium on Large-Scale Energy Storage 8 (A02), #190, 231st meeting of the Electrochemical Society, New Orleans, 2017.

“Open Access Workshop on Predatory Journals,” McKillop Library, Salve Regina University, October 25, 2017.

Papers Presented

“Method for quantifying acid concentrations in the presence of vanadyl for vanadium redox flow batteries,” McDonnell, E.*; Donnelly D.; and Arruda, T. M. American Chemical Society, Rhode Island section annual meeting, Providence College, April 19, 2018.

“Investigation of Waste Heat Accumulation and Internal Resistance of AA NiMH

Cells,” Donnelly, D.*; Patrissi, C.; and Arruda, T. M. American Chemical Society, Rhode Island section annual meeting, Providence College, April 19, 2018.

“Electrochemical and EPR Measurements of Vanadium Redox Couples for All Vanadium Redox Flow Batteries,” Tiano, S.*; Lawton, J. S.; and Arruda, T. M. Rhode Island NASA Space Grant Consortium annual symposium, Rhode Island School of Design, April 7, 2018.

“Investigation of Waste Heat Accumulation and Internal Resistance of AA NiMH Cells,” Donnelly, D. J.*; Patrissi, C. J.; and Arruda, T. M. SRYou Day Symposium, Salve Regina University, March 21, 2018.

“Measurements of Diffusion of Vanadium Species in Electrolyte Solutions,” Tiano, S.*; Lawton, J. S.; and Arruda, T. M. SRYou Day Symposium, Salve Regina University, March 21, 2018.

“Interfacial Impedance of Super Concentrated Non-Aqueous Electrolyte on Li-ion Conductive Ceramic Membranes,” Donnelly, D.*; Patrissi, C.J.; and Arruda, T. M. 10th Summer Undergraduate Research Fellowship (SURF) Conference, University of Rhode Island, July 28, 2017.

“Measurements of Diffusion of Vanadium Species in Electrolyte Solutions,” Tiano, S.*; Lawton, J. S.; and Arruda, T. M. 10th Summer Undergraduate Research Fellowship (SURF) Conference, University of Rhode Island, July 28, 2017.

“Studies on the Interfacial Impedance of Super-Concentrated Non-Aqueous Electrolytes in Contact With Li-Ion Conductive Ceramic Membranes,” Donnelly, D. J.*; Arruda, T. M.; and Patrissi, C. J. Symposium on General Student Poster Session (Z01), #2009, 231st meeting of the Electrochemical Society, New Orleans, 2017.

Other Scholarly Achievements

Invited peer reviewer for the following journals: Advanced Materials; Advanced Electronic Materials; ChemElectroChem; Chemistry – A European Journal; ChemPhysChem; ChemSusChem; the International Journal of Hydrogen Energy; Nanoscale; Physical Chemistry Chemical Physics; and RSC Advances.

Guest Editor: Journal of Chemistry, Special Issue on Experiment and Simulation of Multiscale and Multiphysics Phenomena in Electrochemical Systems.
