Here are a bunch of ways you can get involved!

1. Attend a campus ministry event.

We have events EVERY Wednesday night!

2. Serve (y)our community.

Prepare a meal for the homeless shelter, volunteer at a beach cleanup, make a warm blanket, or help deliver furniture to families in need. Many other service opportunities are available and we need your help!

3. Become a part of one of our ministries.

See next page!

4. Be yourself.

Study, read, hang out with friends, grab a snack, cook a meal you enjoy: the Mercy Center is a place where you will form lasting friendships in a safe, affirming, and friendly space.

Retreats

Retreats are a way to unplug and get away from the daily activities and stresses of campus life.

On a campus ministry retreat, you'll have opportunities to explore your spirituality, have time for prayer and meditation, listen to other students' faith journeys, and have fun in each other's company while enjoying a beautiful and peaceful setting off campus.

There are countless ways to explore and deepen your spiritual

life at the Mercy Center. Deepening your faith doesn't come with a guide book, so let us help you discover where you find meaning. And here are some opportunities to help you do just that . . .
